## SUPPORTING STUDY – GAZETTEER OF SITES

This supporting study lists the archaeology and cultural heritage sites relevant to the Onshore Environmental Impact Assessment (EIA) Report chapter 13: Terrestrial archaeology and cultural heritage. The following tables are presented in this gazetteer:

- Table 1 is a gazetteer of identified sites from the desk-based assessment;
- Table 2 is a gazetteer of identified sites from the walkover survey;
- Table 3 is a gazetteer of scheduled ancient monuments; and
- Table 4 is a gazetteer of listed buildings.

Table 1. Desk-based Assessment
